What is it?

IEST6641 runs as a short course during Summer Session over two weeks. A lecture week will be based at UNSW and will involve a mixture of lectures and workshops. There will be a distance component available for this week of the course if you are unable to attend in person. A fieldtrip week in Bathurst will provide an opportunity to learn and use qualitative research methods in the field through the production of a major project. This course is 6UoC. You must be able to attend ALL DAYS of the fieldtrip in Bathurst and attend one day on campus (Friday 5 Dec) to complete the course.
